

License Retailer Quick Answer Cheat Sheet

*Wyse Terminals can be dropped off during normal business hours.

*Equipment that needs returned: **Wyse terminal ONLY** (desktop computer—see photos below). We do not need the printer, monitor or any other of the equipment provided.

*If the license retailer asks about reimbursement on a deposit: give the retailer Shelia Gamble's contact info: at sgamble@dnr.in.gov or 866-859-0028.

*Reimbursements will take 30-60 days depending on the volume of deposits being requested.

*To continue to be a license retailer, each location will need its own internet connected device, secure internet connection, and printer linked to the internet connected device. The online form located here: <http://bit.ly/1L0bNUZ> must also be filled out with updated contact and location information for each retailer to be listed on the Division of Fish and Wildlife website.

*All terminals should be returned by September 15, 2015. If terminals are returned after that date, the retailer will need to contact Shelia Gamble (see above) for a return address label.

***A form is on the back of this sheet for information you should collect from each retailer returning a terminal, please attach to each terminal.**
